

FOR SUPPORT COORDINATORS

Referring a participant to our SIL & SDA homes

Send what you have. Missing items won't hold up the conversation, but these help us confirm a match faster.

☐

Participant details

Name, date of birth, NDIS number, contact details, and any nominee or guardian.

☐

Your details

Your name, organisation, phone and email, so we can keep you in the loop throughout.

☐

Current NDIS plan

The plan (or the relevant pages) showing SIL and/or SDA funding and the plan dates.

☐

SDA eligibility decision IF SDA APPROVED

The NDIA's decision, including the approved SDA design category.

☐

Functional capacity assessment

A recent occupational therapist report on daily living and support needs.

☐

Behaviour support plan IF IN PLACE

Including any restrictive practices, so we can plan safe, consistent support from day one.

☐

Other relevant information

Risk assessments, health and medication summaries, and communication needs.

☐

Signed consent

Consent to collect information and share it with you and the support network.

☐

Preferences

Preferred home or area, ideal move-in timing, and anything important about housemates.

What happens next

1

Enquire

Send the referral or call us. We respond within 1 business day.

2

We assess

We review the plan and support needs and let you know quickly if we have a match.

3

Visit

Participants and families are welcome to see the home and meet the team.

4

Move in

We handle the paperwork and onboarding, with you kept in the loop.

Funding not approved yet?

Get in touch anyway. If SIL or SDA isn't in the plan yet, the participant will need a plan reassessment and SDA eligibility decision from the NDIA first. We can work with you to get the paperwork ready while that happens.

2 weeks

typical move-in once funding is approved and a room is confirmed
